Dear Ms. Chen,

This letter is your Explanation of Benefits for services you received during February 2026. Your member identification number has been omitted from this mailed statement for your privacy and security.

On February 12, 2026, you visited Dr. Priya Natarajan at her dermatology practice for an office visit and skin biopsy procedure related to a suspicious lesion on your right shoulder. The claim number assigned to this visit is CLM-2026-847391.

Dr. Natarajan's office submitted a bill of \$385.00 for the office visit and \$620.00 for the skin biopsy. Meridian Care Alliance has negotiated rates with this provider. The allowed amount for the office visit is \$280.00, and the allowed amount for the biopsy is \$490.00, for a total allowed amount of \$770.00. Our plan paid \$616.00 toward these services. As a member with coinsurance responsibility, you are liable for the remaining \$154.00. This coinsurance represents 20% of the allowed amounts for both services combined.

Your out-of-pocket cost of \$154.00 is due directly to Dr. Natarajan's office. Please retain a copy of this letter for your records and contact the provider's billing department if you have questions about payment arrangements.

If you have any questions about this Explanation of Benefits or your coverage, please contact our customer service team at 1-800-447-5291. We are available Monday through Friday, 8 a.m. to 6 p.m. Eastern Time.

Sincerely,
