

Dear Mr. Whitfield,

We are writing to inform you of the status of your recent claim submitted to Harbor Point Mutual. This letter summarizes the benefits applied to your urgent care visit on May 14, 2026.

On May 14, 2026, you received services at Westbrook Urgent Care. The services included an urgent care evaluation and a wrist X-ray (two views). The provider billed a total of \$642.00 for these services.

Our plan allowed \$385.00 for the urgent care evaluation and \$128.00 for the wrist X-ray imaging, for a combined allowed amount per our fee schedule. Based on your current plan benefits, we have applied your deductible and coinsurance obligations.

For the urgent care evaluation (allowed amount \$385.00), Harbor Point Mutual paid \$308.00. For the wrist X-ray (allowed amount \$128.00), Harbor Point Mutual paid \$102.40. Our plan's total payment to Westbrook Urgent Care is \$410.40.

After application of your deductible and coinsurance, you may owe up to \$102.60 for these services. This amount represents your share of the allowed charges and does not include any balance billing by the provider for charges above our allowed amounts.

We encourage you to contact our member services department if you have any questions about this explanation of benefits, your claim, or your coverage.
